Danny Yoo

Fullstack Software Engineer @ NYC

Stop selling.   Start serving.   Show empathy.

Experience

Fullstack Engineer (Remote) @ Scrum Inc

January 2021 – Present | Cambridge, MA

Node.js, Express, React, Redux, and MongoDB.

- Implemented new features for the Education platform that manages classes and credentials for our users a revenue of 250K in Q1 2021. A 50% increase YoY.
- Created DevOps processes with integration to AWS, Circle CI, Docker, and Heroku.

Backend Engineer (Remote) @ Tilt Access

July 2020 – December 2020 | Long Beach, CA

Python, AWS EC2, Graphene, Docker, Heroku.

- Manage the backend: hosting on Heroku with Docker and GitHub, customize tables for SQL database, graphene schemas for efficient queries on large and complex datasets.
- Implemented third-party API's like Sendgrid for emails, Intercom for live chat, and College Scorecard for nationwide data registry of all accredited colleges.
- Built Python scripts to analyze and format data from 6700 colleges, and automated building out JSON files to seed the database matching our custom fields.

Frontend Engineer (Remote) @ Bilflo

April 2020 – June 2020 | Chino Hills, CA

Javascript, Knockout.js, C#, Entity, MS-SQL.

- Responsible for front-end UI/UX using Bootstrap for responsive web experience, Knockout.js for data-binding renders, and JavaScript for jQuery functionality.
- Quickly learned new technologies like C# architecture, and Entity framework to deliver reliable production-level, clean, maintainable code on time.
- Wrote high quality code for performance by optimizing the search algorithm using regex for the frontend navigation and cleared backlogged bugfix tickets.

Projects

VBS Helper

MongoDB, Express.js, React, Node.js, Next.js, Stripe API, AWS SMS

A lite *"CRM"* web application that allows organizations to manage their Vacation Bible School programs.

We Read Truth

Ruby on Rails, React, Redux, PostgreSQL, Heroku, AWS(S3)

A website where users can journal their devotionals using the "She Reads Truth" and "He Reads Truth" content.

Education

App Academy

Full Stack Web Development
Intensive 1000+ hour software developer curriculum with < 3% acceptance rate

Westminster Theological Seminary

Master of Divinity

Binghamton University

Bachelor of Arts in History

About Me

Avid foodie, loyal sports fanatic, curious reader, community leader, and dedicated friend.

I'm looking for a team that's passionate about their vision and mission, who cares about people over profit, and who's driven about products for people. I'm also a high energy person looking to learn and grow more in the industry.
